**Subject: Fuel Deliveries**

Dear Mr. Marshall,

On behalf of the School District of Palm Beach County, I would like to express our sincere appreciation for the support Glover Oil Company provided to us this past week during our fuel shortage crisis.

By providing us with approximately 20,000 gallons of diesel fuel oil, we were able to keep school buses running thus avoiding the possibility of disruption of schools due to lack of diesel fuel.

Thanks again, to you and Glover Oil Company for your support in our time of need.
